Kochi, India

OVERVIEW

I am Nazim Mohammed, a recent graduate holding a bachelor's degree in computer applications. As a dynamic and self-motivated fresher, I have developed proficiency in Python, Django, and full-stack web development, with a specialized focus on data science. My skills extend to AI, machine learning, and deep learning, reflecting a commitment to staying abreast of industry advancements. Equipped with essential developer tools, I am eager to contribute to innovative solutions and embrace new projects.

EDUCATION

- **BACHELOR OF COMPUTER APPLICATION (2020-2023)**
Al-Ameen College, Edathala, Affiliated to Mahatma Gandhi University
